### YOUR JOURNEY STARTS HERE

### You Are Invited To Join Us...

Exploring the college personally is a great opportunity to get a feel for what it's like to be a student at APGC. You will be able to explore the college, learn new things, converse with faculty members and students, acquire further information about our courses, discuss with our counselling team and enquire about any questions you may have.

## Blessings...

"Education is the gateway to the future, for tomorrow belongs to those who prepare for it today."

- Malcolmx.

It gives me immense pleasure welcome the future leaders and productive citizens of the nation. Agrawal P.G. College has started its journey towards excellence in the year 1954. I am happy to state that right from its inception, it has been striving to serve the cause for which it has been set up.

Foresightedness and the ability to grab opportunity, the desire to succeed and integrating knowledge with professional inputs are the secrets behind the success of Agrawal P.G. College which has always kept us at the forefront of education. Keeping pace with the present time, the institution has successfully introduced many job oriented courses. We believe in imparting quality education based on ethics. The combination of proficient, learned, dedicated faculty and an admirable infrastructure ensures Agrawal P.G. College as an excellent institution. APGC also pursues the highest moral, ethical and cultural values.

I extend my best wishes to all the members of APGC for the tremendous progress of the institution.

Suresh Agarwal Chairman

## TRANSFORMING LIVES WITH VALUE EDUCATION

We aim to develop greatest abilities in the students and transform their dreams and aspirations into reality.

## Blessings...

With the firm belief "the task of the modern educator is not to cut down jungles but to irrigate deserts"

- C.S. Lewis

I take the pleasure in welcoming you to Agrawal P.G. College, an institution dedicated to the growth and development of each and every student for their better career prospects. Agrawal P.G. College has been a crucial platform in the career building of thousands of students. We empower the youth to realize that they determine the outcome of their own lives. Reputed for its high standards in education, the college is continuously attracting students from all over India. The earing faculty, state of art infrastructure and friendly academic environment make the college different and a respectable institution in the field of education.

We are confident that this college is the best place for the holistic development of the students. I ensure you that as a leading educational institution, we will continue to challenge the future boldly.

Naresh Singhal

General Secretary

### APGC SETS THE BENCHMARK IN THE GLOBAL EDUCATION

As the skills required in the present scenario are different, the college has adapted itself and successfully introduced many job-oriented courses.

## Blessings...

It is a matter of great pride that Agrawal Shiksha Samiti has made consistent progress year after year in the field of education. The Institutional has always been committed to preparing the students to face the challenges ahead. Our aim is to impart quality education that enables one to become independent and cultivates willpower not only to conduct the learning process but also to strengthen one's character.

I personally feel proud to be a part of this institution, which is equipped with multifaceted infrastructure and state of the art facilities to enable the grooming and progress of our students. On behalf of the entire management, I assure all students and well wishers that with all the modern facilities, professional teaching skills, the learning process will be maintained with your active participation and this institution will continue to progress in the coming years too.

I look forward to welcoming you to join and contribute to our journey towards exploring new frontiers in the field of education.

#### YOU HAVE TO GO WHOLEHEARTEDLY INTO ANYTHING IN ORDER TO ACHIEVE ANYTHING WORTH HAVING

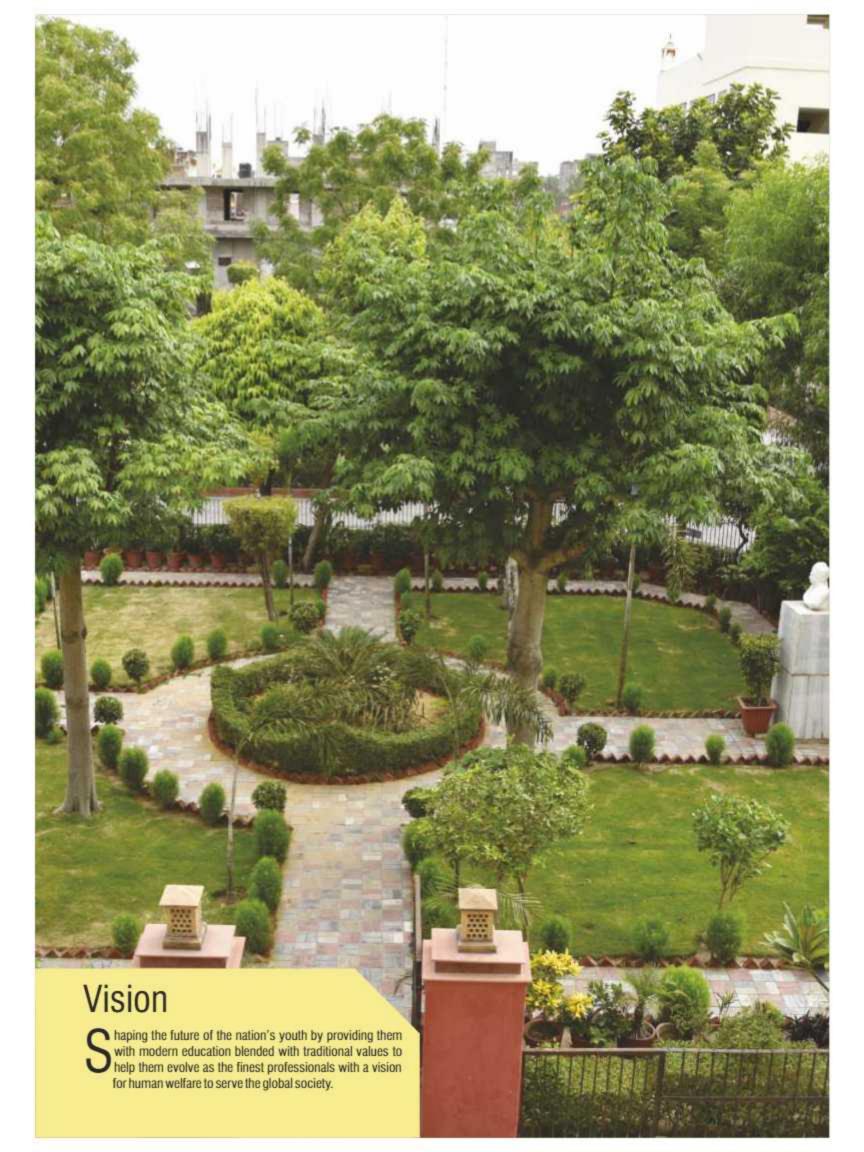

APGC has built a legacy with its commitment to education at the forefront and is committed to strive forward with the belief that education is the tool to power its students with continual innovation and prepare them for the future challenges.

### Welcome...

I humbly welcome you to Agarwal PG College, Jaipur which has an enormous history a magnificent future. It is a college where youngsters see thier dreams and turn them into reality, where students get wings to excel and learn the first lesson of humanity to serve the society. We are proud to have the most green campus, in the heart of the Jaipur city, accessible to all from and around Jaipur. The college strives to provide a platform for ideal integration of brainpower, morale, ethical values and professional talents through education and to develop each student to his optimal potential to enable them to make path breaking changes in the competitive world.

We are honored and delighted that our students are continously gaining gold medals by topping the University of Rajasthan Examination. Our students are continously securing jobs by clearing the competitive exams such as RAS/UPSC/BANK PO/RPS, CSIR-NET, GATE and the list is endless. We are highly delighted that many of our students are pursuing research abroad and proudly contributing to the cause of human welfare. We are successfully managing to provide our students with extracurricular activities to bring out the best of them by conducting various activities, such as competition, seminars, debates, sports event etc. Looking into the future demands of the global hospitality industry and tourism, we are successfully running Hotel management courses. Agrasen Civil Services Academy which is successfully providing coaching to the UPSC aspirants and is also offering coaching for other competitive exams. On the academic front we strongly focus on the quality of education and research & development. We have conducted various FDPs, Seminars, Symposium and Conferences. We have successfully signed various MoU's with leading collaborators and organisations. We are constantly upgrading our laboratories and classes and our students are getting hands on training on all the advanced techniques in our well equipped labs under the guidance of dedicated faculty members. Students are also groomed, for employability and soft skills to meet the challenges of the future. The students are also given practical exposure through various workshops and industrial visits and educational tours. We are committed to providing industrial mentorship support to our students from FORTI (Federation Of Rajasthan Trade Industries) Jaipur etc. Our objective is to move ahead keeping in view of the challenges of modern times and also keeping in tune with the new education policy 2020.

## About Us:

Agrawal P.G. College is one of the premier institutions of Rajasthan managed by Shri Agrawal Shiksha Samiti, Jaipur. The Samiti laid the foundation stone of Agrawal Senior Secondary School in July, 1918. In 1954, it was transformed into Agrawal Inter College. In a short span of seven years, the Inter College was certified as a degree college with all the three streams; Science, Arts and Commerce in 1957, 1959 and 1961, respectively.

The college is situated in the heart of city at Agrasen Katla, Maharaja Agrasen Marg, Agra Road, Jaipur. Being the oldest and leading college of the city, it attracts students from far-off places. The college is well connected with other parts of city by the public transport. About 50,000 sq yards college campus is surrounded by sprawling lawns and gardens. A well maintained botanical garden and nursery, protect the biodiversity of the area.

The institute has now enhanced its scope of education which includes more specialized and professional courses. For the first time in the state, college offers dual degree programs, apart from degree programs at the UG and PG levels, for which our college has got affiliation from RISU, which imparts various courses of skill development, to enable students to seek better career opportunities as they step out in the competitive world.

The college is committed to educate its students to be reflective and resourceful individuals ready to live, adapt, and lead in an interconnected world. Apart from the dual degree programs, the college offers various certificate courses to groom the student's personality. The Institute through its experienced and qualified faculty continually innovates education to ensure that we meet the needs of students in an ever-changing world. These are only a few attributes that make our campus a place that fosters personal and academic growth.

## Mission

o impart high resource quality higher education at various levels in the latest emerging areas of knowledge and research with the target of evolving global competitiveness among the students by fostering educational excellence and ensuring equal access. To enable students to be able to discover knowledge, wisdom and values on their own in order to achieve success with the comprehension of moral ethics and human values and realize their highest potential of intellectual, physical and human development.

## TRAINING & PLACEMENT

#### DEPARTMENT OF BOTANY

Department of Botany has multi disciplinary course and the curriculum has been developed to meet the growing demand of expertise knowledge in life sciences. It is backed up with specialized laboratories, enriched departmental library to provide extended support of integrated knowledge. The department also has a flourished botanical garden and good collection of herbarium. The botanical garden has a number of herbs, shrubs and trees having economical, medicinal and ethno-botanical application cited in different literatures. Department also has skilled faculty with different specializations who make continuous efforts for active teaching as well as research.

#### DEPARTMENT OF ZOOLOGY

Department of Zoology is committed to provide students with unparalleled learning experience. It has well equipped laboratories and highly qualified and experienced faculty members. Department conducts educational tour every session to enable students to have a closer insight into the practical aspects of the subject. Department conducts guest lectures by prominent scientists and professors to encourage and motivate students to introduce them to various career options. The departmental library contains a wide collection of reference books for the students.

#### DEPARTMENT OF PHYSICS

Department of Physics came into existence in 1961 to run its UG courses. From 2006, the department is running both UG and PG courses to impart theoretical education along with specialized practical training in well equipped laboratories providing a solid foundation in the essentials of futuristic technologies. The department has numerous state-of-the-art research facilities for teaching and research purpose. Department has a rich history of excellence and invites prominent scientists and scholars to inspire and guide students.

#### DEPARTMENT OF CHEMISTRY

Department offers Master of Science in Chemistry. Department of Chemistry avails 40 seats for Post Graduation with specialization in Organic Chemistry. The department has well equipped labs with all latest instruments needed to conduct practical and research work in all the three disciplines -Organic, Inorganic and Physical Chemistry. It has highly qualified and experienced faculty members involved in various fields of research. A rich collection of reference books and journals are available in the departmental library as well as in central library. Guest lectures are arranged regularly to motivate the students and provide them an opportunity to interact with the eminent professors in the field

#### DEPARTMENT OF MATHEMATICS

The Department offers Master of Science in Mathematics with 40 seats. The students learn about the fundamental concepts and ideas of the subject. The department strives to impart knowledge in a way that students not only learn and understand their course but also develop their skills, preparing them for future degrees like Ph.D. and career opportunities in the field of analysis, research, academics, system development, government advisory, IT sector etc. The faculty is well trained, highly qualified and experienced.

#### DEPARTMENT OF COMPUTER SCIENCE

Department of Computer Science was established to fulfil the objective of imparting quality education in the field of Computer Science. The department has updated computer labs and has facilities for teaching, learning and research. The Department offers 3-year degree of Bachelor of Computer Applications (B.C.A). The computer science field deals with designs of computer system hardware/software and applications. Many students have successfully involved themselves in many entrepreneurial and commercial ventures.

#### DEPARTMENT OF GEOGRAPHY

Department offers Masters of Arts/Science in Geography with 40 seats. Geography is a very important subject which teaches students the relationship between man and the environment. The department with its well qualified and experienced faculty aims to educate students about the vital role of the subject in solving environmental, economic, political and social problems. The department has well-equipped labs and aims at training the students for careers in academics, tourism, town planning, climatology, geomorphology, government office etc.

#### **DEPARTMENT OF HISTORY**

The Department offers Master of Arts in History with 40 seats. The department has highly qualified and experienced faculty. The aim of the course is to provide a thorough understanding of historical concepts, theories, sources and perspectives to the students. M.A. in history helps students pursue advanced research programs in history like Ph.D. Career opportunities in the field of academics, research, historical institutions along with preparation for government services are some of the benefits of this course.

#### DEPARTMENT OF POLITICAL SCIENCE

The Department offers Master of Arts in Political Science with 40 seats. The teaching focuses on a wholesome approach of both western and Indian political science by integrating the sociological, economical, philosophical and cultural dimensions of politics. The department is extremely rich in academic potential, comprising well qualified faculty. The aim is to prepare students for the betterment of their society when they peruse careers like civil services, foreign services, law, social services, political analysis, journalism etc.

#### DEPARTMENT OF PUBLIC ADMINISTRATION

The Department offers master of Arts with 40 seats. The course has been scientifically planned so that it constitutes building blocks to impart specialized, skill based education through teaching, activities, workshop, seminars and conferences. It provides students with the knowledge and skills to analyze and manage processes of governance, policy making and administration at many levels. Studying public administration provides numerous avenues towards transforming and implementing change. The ability to choose form diverse occupations in a wide variety of industries is just one of several benefits of studying Public Administration. Well qualified and experienced faculty members are always available to support the students in building up their career.

#### DEPARTMENT OF SOCIOLOGY

The Department of Sociology offers an under-graduate program. The faculty is well qualified and experienced. Sociology provides distinctive perspective in the world, generating new ideas and critiquing old, as a subject it teaches the students the different aspects of a society and its people. The course is aimed at teaching students about social life, social change, social causes and consequence of human behaviours. - Do not remove newspaper from newspaper stand.
- Any damage to library property (furniture, books etc.)may lead to disciplinary action.
- → The college provides book bank facility to the students.
- Maintain the decorum of the library.
- Disciplinary action will be taken on violating the library rules and regulations.

Our library is unique and a valuable resource. It is the lifeline to our students. College library consists of more than 1,00,000 books, many international & national Journals and Periodicals, numerous magazines and newspapers of both languages Hindi and English to promote reading and understanding of current affairs. The library also provides book bank facility which has more than 15,000 books for students belonging to the economically weaker sections of the society.

## **NATIONAL SERVICE SCHEME (NSS)**

The National Service Scheme is a government-sponsored flagship programme for public service conducted by the Ministry of Youth Affairs and Sports of the Government of India. The sole aim of NSS is to provide hands-on experience to young students in delivering community service. It promotes social awareness and creates a sense of responsibility and discipline among students. Agrawal college has three full fledged units of NSS to develop the social ethics and inculcate human values in our students.

## **MAJOR ACTIVE INITIATIVES:**

- Celebration of Literacy Day, Yoga Day, World's AIDS Day, NSS Day, Consumer rights day, World Youth Day etc.
- 2. Organizing blood donation camps.
- Organizing activities under Swachh Bharat Campaign to spread awareness about health and hygiene.
- Participation in state and national level camps, workshops, competitions and youth programs
- Adoption and survey of slums/village.
- 6. Red ribbon club activities.

- 7. Eye checkup and health checkup camp.
- 8. Workshop on road safety.
- Tree plantation and adoption of trees by students.
- 10. Gender and leadership programs.
- 11. Cleanliness drive in nearby area.
- 12. Vaccination Camp.
- 13. Orientation program for NSS students.
- 14 Celebration of Jayanties of National Leaders.

## **NSS ACTIVITIES**

## **RED RIBBON CLUB**

Red Ribbon Club -RRC is a voluntary on campus club to educate youth and create awareness about HIV/AIDS/STI and other related diseases. The club aims to enable youth to identify and understand the social issues and facilitate voluntary blood donation camps.

## **ROVERS AND RANGERS**

The rovers and rangers unit at APGC aims to contribute to the development of young people in achieving their full physical, intellectual, social and spiritual potentials as individuals, responsible citizens and members of the local, national and international communities.

## APGC CLUBS

### PERSONA | Life Skills Club

The Persona Club focuses on developing students' personal qualities and improving their life skills like self-awareness, decision making, communication, time management etc. and ensures that the student has a wholesome growth and is prepared to succeed in the outside world. The students are guided to work on themselves through workshops, debate competitions, speeches, seminars, group discussions, talent competitions etc. The club is very helpful for students who wish to have confidence and an impressive persona.

### SCHOLAR | Literary Club

The Literary Club is committed to develop literary skills of the students. The club inspires students to develop a taste for literature and also works in the direction of expanding their horizon of spoken and written language. The students are provided a platform where they can present their opinions and ideas, understand others' point of views and grow and develop together. This club organises many activities like Treasure Hunt, symposiums, book debates, reading and writing skills workshops etc.

### IMPACT | Spoken English Club

The Impact Club aims at nurturing and inculcating the love for the language among the students. Giving them an opportunity to practice English in a friendly and supportive environment. The club improves and develops the student's for main language-based skills namely listening skills, speaking skills, reading skills and writing skills. Various activities like debates, plays, extempore, writing competitions etc. are organized by the club to enhance students' English skills.

## CHAYANKAN | Photography Club

Photography is the art of capturing light with a camera, usually via a digital sensor or film, to create an image. In today's world, the art of photography is needed at all times and everywhere. The photography club is for students who wish to learn and improve this art. The club aims to nurture students by developing keen observation skills of their space and environment, using photography as a means of telling their stories and communicating their ideas. Students are learning every- thing from camera skills to various styles of photography through various workshops, seminars and even competitions. The students of the Chayankan Club also get the chance to capture various college events.

## ABHIVYAKTI | Drawing and

### Painting Club

There's no better way to portray ideas, present opinions, narrate stories and express feeling without saying a word, than drawing and painting them. The Abhivyakti Club is a platform for all drawing and painting enthusiasts to learn these beautiful art forms and showcase their capabilities. The club provides the students an opportunity to unleash their creativity and understand all different aspects of drawing and painting from different styles, colours, techniques, canvases and more. Regular workshops are held by the club which improve the student's skills and give them a chance to explore themselves beyond regular studies.

## SPECTRUM | Performing Arts

Learning some form of performing arts is very important for students as it boosts their confidence, gives them an opportunity to express themselves, improves their team skills and helps them in self-exploration. The Spectrum club offers the students a chance to learn the art of dancing, singing and acting which helps them showcase their talent. The club is a platform for students to engage themselves in extracurricular actives, ensuring their holistic development.

The students of the club conduct and participate in workshops, sessions, events, competitions etc. and represent the college on various occasions.

### EARTH SAVIORS | Green Club

The Earth Saviors Green Club guides students on the importance of the environment around them and the need for its safeguarding. It works for the upliftment, conservation, preservation and protection of the environment by spreading awareness about the role of humans on the degradation of the environment. The club is for all students who wish to make a change in the world for the sake of a healthy and happy future. The club organizes seminars, debates, field visits, tree plantation, rallies, cleanliness drives to raise awareness and make a change for the planet.

### AGRODAK | Yoga Club

Yoga is a spiritual science directed to an objective of understanding life and art of living. It is a mind and body practice, that promotes endurance, strength, calmness, flexibility and well-being. The yoga club is for students who understand the importance of maintaining a good health, both physically and mentally. Yoga originated in India about 5,000 years ago and learning it is a great way for students to understand and respect their culture and traditions. Regular yoga sessions are organised by the club to teach students the basics of yoga which include physical poses, concentration, and deep breathing.

## COUNCILS AND CELLS

#### ACADEMIC COUNCIL

Academic Council in APGC is a body of faculty members and administrators responsible for overseeing academic policies, programs and standards. The Council formulates and approves academic policies that govern the college's academic activities such as admissions, examinations, grading, attendance and evaluation. Academic Council plays a crucial role in ensuring the academic excellence and quality of college's programs and policies.

#### STUDENT COUNCIL

Student Council has been set up in the college to encourage students participation in college activities. Students have a voice and contribution to make to their college so it is important that they should be given the opportunity to express their views on issues of concern to them in the college. It is equally important that they are listened to and encouraged to take active part in promoting the aims and objectives of the college.

#### IQAC

IQAC is established in the college to develop a system for conscious, consistent and catalytic improvement of academic and administrative performance of the Institution. It aims to promote measures for Institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

#### RESEARCH AND DEVELOPMENT CELL

The Research and development Cell is established to promote and support research and innovation activities in the college by facilitating the researchers with resources, guiding them about policies and programs and providing them a research inclusive environment.

#### IPR CELL

Intellectual Property Rights Cell (IPR), is concerned with the protection of tangible and intangible property, providing rewards and recognition to inventors/contributors, for research, discoveries, inventions etc. IPR and Research Cell, in the college are set up to quest bridge between academic activities and requirement of college and industries. This interface enables collaboration among academicians and industries to develop state-of-the art manpower for socioeconomic development. The cell is dedicated to increase the awareness and opportunities to the students and provide them competent career choices.

#### ALUMNI CELL

The Alumni Cell is committed to help establish institution alumni relations and provide a platform for student and alumni interactions. The aim is to develop a network between the alumni, students and faculty of the college.

#### ENTREPRENEURSHIP AND INNOVATION CELL

An Innovation & Entrepreneurship Cell has been established at

our college to support the vital need of the present times. The Cell aims to provide a platform for the linkage of innovative and entrepreneurial efforts of the students. The aim is to inculcate and facilitate innovation and entrepreneurship among the faculty and students through mentoring/training/ financing. The main focus is on innovation and incubation so that any novel idea can be converted into a marketable product, which in turn will enable the innovator to become an entrepreneur. The stakeholders include students and faculty members of APGC, mentors from professional bodies, and entrepreneurs from the local community.

#### SC/ST CELL

The SC/ST cell of the college was established with the purpose to empower the SC/ST students in the college. The college takes special interest in facilitating financial support to students from these communities from government agencies and other sources.

#### COUNSELLING COMMITTEE

The Counselling Committee is constituted to facilitate positive behaviour changes, it improves the student's ability to establish and maintain relationships socially, and promote their decision making process. The committee helps the students to understand their potential and cope effectively with the problems they face.

#### MENTOR-MENTEE SYSTEM

This is a feature of college where each student is assigned a faculty member as a mentor on campus. The teacher will assist the student to maximize his/her learning experience and provides support for the academic progress as well as for his/her overall development. It is beneficial for the student as counselling will be done to combat both academic and non academic problems of the students.

#### STUDENTS GRIEVANCE REDRESSAL CELL

The college has constituted a grievance redressal cell to look into the problems, difficulties and complaints of the students. The students can approach the cell to voice their grievances regarding academic matters, health services or any other issues.

#### ANTI RAGGING CELL

The college has established an anti ragging cell following the UGC regulations to ensure that the college campus is free from ragging and eve teasing. At the time of admission, the students have to give a written undertaking promising non-participation in any form of ragging.

#### WOMEN CELL

The women cell works to safeguard the rights of the female students and female faculty. It also provides a platform for listening to complaints. The cell engages the students in various activities like workshops, seminars, debates, lectures, etc., to enable them to understand more about their rights and duties.

#### ANTI-SEXUAL HARASSMENT CELL

The anti-sexual harassment cell prevents discrimination and sexual harassment against women by promoting gender equality among students and employees by sensitizing them on gender

#### TOBACCO FREE ZONE INITIATIVE

Tobacco free zones is committed to raise awareness of the threat posed by the global tobacco epidemic and of the steps to prevent the use of tobacco.

#### APGC SOCIAL MEDIA

To connect with students, expand its network and share the events held in the campus, APGC has been active in social media platforms like Facebook, Instagram, Twitter and LinkedIn. APGC regularly updates all the information, news upcoming events, event glimpses, students achievements, campus placements etc on the social media platforms. APGC has its own

YouTube channel where videos of mega events are posted on regular basis.

#### Connect with us through:

Instagram:https://instagram.com/apgcjaipur

Facebook: https://www.facebook.com/agrawalpgcollege

you tube :https://youtube.com/agrawalcollegejaipur

website: www.agrawalpgcollegc.in

#### COLLEGE WEBSITE

The college website provides all information regarding programmes, examinations, activities, events the campus through notices and announcements. Code in conduct for students, syllabus of all courses and other relevant information is posted at regular basis on the college.

website: www. agrawalpgcollege.in.

# AMENITIES

#### SECURITY SYSTEM:

With the purpose of protecting the wellbeing of students, staff, faculty, and guests the campus is under extensive camera surveillance. The students are monitored and taken care of through camera networks to provide safe and secure environment during their stay in college. Security guards are deputed at the entrance gate, at parking, outside the gardens and other places in the college.

#### GIRL'S COMMON ROOM:

There is a need for personal space especially for girls who are young adults. This is very essential for them to interact, discuss with their counterparts and also rest if and when needed. Our college has recognized the need for this personal space for girls. Being a co-educational Institution we have a separate common room for the girls.

#### CAFETERIA:

College cafeteria is situated in the campus and is one of the most important part of student's life. It plays a vital role in refreshing students. College canteen provides clean and hygienic ambience, with all the facilities.

#### AUDITORIUM:

Shri Agrasen Maharaj Auditorium is definitely a pride colossal structure of APGC. The Auditorium is well equipped with the most modern and audiovisual facilities and a massive seating capacity of approximately 800. The soundproof Auditorium hosts the major events of the college.

#### MEDICAL ROOM:

A first aid or medical room at APGC, is established to fulfil emergency requirements in case of emergency, injury or if someone is ill. It provides all the facilities for first aid and to await the arrival of professional medical services.

#### YOGA WELLNESS CENTRE:

Yoga wellness centre at APGC believes in a mind/body approach to wellness and fitness. The centre offers comprehensive yoga, wellness and fitness classes for anyone interested in getting to move towards a healthier lifestyle.

#### **CONFERENCE HALL:**

College has a spacious and well equipped conference hall, with a seating capacity of about 200 people. It is a dedicated space that fulfils all the requirements for conducting singular events, workshops, lectures, meetings etc.

#### SANGEETAYAN :

Performing Arts is given prime importance in the college curriculum. We have a well-equipped music room in the college where students are encouraged and nurtured to learn musical instruments.

## Maharaja Agrasen Sports Academy

Sports play a pivotal role in shaping one's personality and maintaining good health. We have specially developed sports environment that matches high standards and gives a truly motivating experience to all our students. APGC has set up facilities/grounds for Cricket, Football, Basketball, Volleyball, Table-Tennis, Badminton, Chess, Carrom etc.

## **ALUMNI SPEAK**

DR. ANAND JINDAL [Assistant Director FSL]

The academic life in APGC exemplifies both challenge and support and pushes there students to do the best work, which later helps them grow in their profession. I would say it is the best college.

DEEPIKA GUNPAL [Assistant Professor, Department of Botany University of Rajasthan,Jaipur]

APGC equipped me for the world outside with the best skill set. Those amazing years gave me much more than bookish knowledge and the studies in college benefited me a lot.

MS, PRIYANSHU AGARWAL [Ph.D. Scholar, MNIT]

I feet so lucky to have studied at APGC which has shaped my future and given me life long friends, besides imparting an expansive knowledge that has helped me in almost every sphere of my life.

AJAY KUMAR MEENA [Assistant Plant Protection Officer]

APGC gave me the knowledge and skills that I required for refining my personality. With this, I was able to successfully compete for jobs in the corporate sector.

DR. AJAY KUMAR TILAWAT [Sr. Scientist, FSL]

My academic tenure at APGC helped me a lot in gaining experience in both social and professional fields. I have a doep respect for my college and its faculty members who helped me in shaping my career.

MISS. ANJALI FERWANI [Designation : Auditor, PCDA (SWC), Jaipur]

As a student in Agrawal PG College, you become part of a family. Appropriate class sizes and professors that are easily accessible allow you to form tasting relationships with them. The skills, experiences and relationships I have gained allow me to network and expand my knowledge-base with fellow students and their diverse viewpoints.

MR. SANDEEP MEENA [Asst. Manager, PNB]

I feel confident entering the field of education. Agrawal PG College has provided me with mentors that I know I can always turn to throughout my time here as a student. Pursuing my degree here is one of the best decisions that I have ever made!

DR. AMIT HARITWAL [Post Doc. Korea]

It is a great satisfaction for me to utilize the knowledge that I gained during my student life at APGC. My years of study at APGC constituted the best time of my life, as it prepared me for my successful professional life.

MR. BRAJESH MEENA Botanical Assistant, Botanical Survey of India, Arid Zone Regional Centre, Jodhpur

Graduating from APGC has helped me shape my character and strengthen the attitude required to deliver strong and effective results in my field of work.

MR. SANDEEP KUMAR SHARMA [Statistical Officer]

The discipline and motivation inculcated in me during my studies at APGC prepared me to avail myself of the opportunities coming in my life. The extra-curricular activities in the college added a new dimension to my personality.

DR. L. N. MEENA [Deputy director]

APGC groomed me in such a manner that I was able to prove myself both personally and academically. I am grateful to my teachers for finding out the influential aspects of my personality.

GHANSHYAM SAINI [Deputy Commissioner]

My education at APGC gave me a great exposure to academics as well as extra-curricular activities. It allowed me to develop my interpersonal skills which are important in any field of work

MAHAVEER SINGH RATHORE

The flexibility in learning and motivation in APGC helped me to opt for the best possible mode of studies and helped me come out with flying colours. The time spent in the college was the turning point of

MR. N. K. PRADHAN [Manager] ITDC, Govt of India.

I benefited a lot from the faculty members at APGC who were always cooperative. The college has provided me opportunity to learn and grow academically as well as to secure a place in the professional

CAPT. SHAKTI SINGH RATHORE [Lieutenant Colonel] Military Intelligence

In my experience, this has been beyond and more than a good college experience. The students, the faculty, the cozy campus facility and the flexibility in the programs have all greatly contributed in achieving my pre-set goals ahead of

MR DWARKA DAS SOMANI [M.D.] Ja Oil Refinery Pvt Ltd

An absolutely amazing college. I loved my time here and would do it all again in an instant. Agrawal PG College has given me joy, knowledge, confidence, and a brand new family that stretches all around. I could not have asked for more.

JUGAL KISHORE LOHIYA [Chief Manager] Union Bank of India

APGC has created an image of what I have achieved in my professional life. I cherish the memories of my studies and interaction with teachers during my graduation which prepared me for my future struggle.

NIRMAL K. GODIKA [Chartered Accountancy] Bank of Rajasthan

The college has a great sense of community and diversity. It was exceptional educationally. Its location is fantastic, providing students many opportunities for fun, community service, jobs, etc. on and off campus. The students and professors are driven in their work and career.

KHEM RAJ MEENA [Inspector of Income Tax]

It gives me so much pleasure to write about my beloved Agrawal PG College. Trust that you will get a high quality oducation that will prepare you for an amazing career. The teachers at Agrwal PG College are excellent and very knowledgeable in their respective fields. People here genuinely care and the want you'to succeed.

DR. DILIP SHARMA [Director] VMOU, Kota

The confidence which I received in APGC during my formative years enabled me to stand up and face the challenges in my life. I will be happy to be associated with the college and give back to the students to grow in

AJAY KUMAR AGARWAL (Deputy Manager) Reliance Jio Indocom Ltd.

My study period in APGC gave me a great exposure to academics as well as extra-curricular activities. It allowed me to develop my interpersonal skills which are important in any field of work.

GYANENDRA DIXIT [Vice President] Ultratech Cement

The years I have spent at Agrawal PG college provided a strong academic foundation that helped prepare me for a bright career. The faculty and staff are committed to providing excellence in education and research.

RAKESH AGARWAL [Managing Director] Veear analytics inc

Caring. Supportive, Encouraging. These are just some of the words that describe Agrawal PG College. From the moment 1 entered the halls of this college, I realized that it was a unique place to receive my education. All you have to be willing to provide is the hard work necessary for your career path.

ASHISH DUSAD [Chairman] Nagarpalika Chomu

Graduating from APGC has helped me shape my character and strengthened the attitude required to deliver strong and effeatly experience at Agrawal PG College was phenomenal! Classes coupled with knowledgeable professors provide this college a distinctive advantage and in turn, has given me a quality education.

SURESH CHAND MEENA [Deputy Director] Animal Husbandry Deptt.

The excellent reputation of Agrawal PG College is known to all, which has given me a huge advantage when looking for jobs across the country.

MR. DHEERAJ SINGH TANWAR |Forensic Scientific Assistant DNA Division State | Forensic Science Laboratory, Jaipur|

Here, the opportunities for learning are great. I am proud to be a graduate from Agrawal P.G Collegective results in my field of work.

ARUN SONI [Forest Range Officer]

Being the student of Agrawal PG College, I feel proud to be a part of it, the kind of experience throughout I have had here is awesome. Must give the credits to the so professional yet so cool faculties and also the quality of events or exposure this college gives is unmatched!

AJAY KUMAR MEENA [Assistant Plant Protection Officer]

It is a great satisfaction for me to utilize the knowledge which I gained during my student life in APGC. My years of study in APGC constituted the best time of my life, as it prepared me for my successful professional life.

# **AIHM**

AIHM: Agrawal P.G. College, Jaipur offers the concurrent degree of Bachelors of Vocation (B.Voc.) to the students along with the degrees of B.A., B.Com., B.Sc. and B.C.A. The B.Voc. degree is awarded by the Rajasthan ILD Skills University.

Agrawal Institute of Hotel Management, a unit of Agrawal P.G. college is also affiliated to Rajasthan Innovation Learning and Development Skills University (RISU). There is a high demand for skilled people in the Hospitality Industry, this is what makes management studies fruitful for a student. The courses at AIHM range from one year to three years and are planned in such a way that they inculcate not only knowledge about Hotel Management and its operations but also serve as an aid for character development. The college has international tie-ups with various corporates, hotels and colleges that facilitate the students with training, placements and student exchange programs.

# सूरज की तरह चमकने के लिए उसकी तरह जलना होगाः नवनीत

जयपुर। सूरज की तरह चमकना है तो सूरज की तरह जलना होगा। यह कहना है महाराष्ट्र के अमरावती से सांसद और अभिनेत्री से राजनेता

बनी नवनीत कौर राणा का। शुक्रवार को अग्रवाल पीजी कॉलेज के व्यन सेल की ओर से 'शक्ति द पावर' कार्यक्रम में नवनीत राणा ने छात्राओं के साथ संवाद किया। इस मौके पर श्री अग्रवाल शिक्षा समिति के महासचिव नरेश सिंघल, कॉलेज के प्राचार्य डॉ. प्रद्यम्न सिंह और फोर्टी

वृद्य विंग के कार्यकारी अध्यक्ष कौशल डोडा भी मौजूद रहे। कॉलेज की छात्राओं के संवाद करते हुए नवनीत राणा ने कहा कि 2014 में भी

चुनाव लड़ा लेकिन हार मिली. लेकिन हार से हारी नहीं और 2019 में 6 बार चुनाव जीतने वाले सांसद को हरा दिया, वो भी निर्दलीय होते हुए, बस इंश्वर से यही दुआ करती थी कि नरेन्द्र मोदी उनके चुनाव

क्षेत्र में प्रचार करने ना आ जाएं। दिल्ली में हुए श्रद्धा हत्याकांड पर नवनीत ने ने कहा कि यदि श्रद्धा अपने माता- पिता की बात मानती तो आज हम सबके बीच होती।श्रदा की हत्या करने वाले दरिंदे को बीच सड़क पर फांसी देने की संसद में व्यास्थी का अध्या साला विका उठाने का वादा किया।
